Hi Jennifer,

Yes, LouAnn and I reviewed and agree it should be processed as a FOIA.

Lawana,

Per Louann, please process in and assign to me.

Thanks, Gayla

All. Attached is a letter from the City of Tarrant requesting follow up information regarding the PA, Site Assessment and next steps.

I believe a full copy of the PA with references will be responsive to items 1, 3 and 4. I can provide an answer to #2.

#5 and 6 have to do with the SI. The work plan and schedule have not been developed yet, so I can also reply to that effect.

Gayla/Luanne: do you think this should be logged in as a FOIA?

I can prepare the letter for your review, and if appropriate the letter can go from FOIA office.

Thanks!
